

Nailsmania Luxury Nail Course

"This is not just a course this is your careers foundation and your lifetime income plan."

Hello!

If youre looking for more than just pretty nails and basic learning

If you actually want to build a strong career in nails, earn well, and stand out in India or abroad

Then welcome to Nailsmanias Luxury Nail Course

A course designed to make you independent, skilled, and professionally unstoppable.

What Youll Learn:

All variations of gel & acrylic nail enhancements including Gel-X, soft & hard gel, builder gel, ombr, inbuilt designs, sculpted nails, biogel, polygel, SNS & more (PDF of syllabus will be shared by team)

Advanced nail enhancement techniques used internationally

Real-time situational learning what to do when nails lift, break, or when clients complain

Deep theory + product knowledge so you know:

- Which products are good for retention

- Which products to avoid

- Why product chemistry matters

Theoretical foundation for every topic

Because if you dont understand the theory you cant perform the practical.

Career & Business Focus:

Learn how to make money from nails not just how to do nails

Business-growth guidance pricing, branding, content, client psychology

Unlimited hands-on practice on real models

ISO 9001:2015 Certified course valid for job applications in India and abroad

Lifetime support were with you even after the course ends

Real Student Success:

Nailsmania Luxury Nail Course

Our students are not just working in India

Theyve opened their own nail studios in Canada, Australia, Dubai, and the UK

And many have secured high-paying jobs abroad after our training.

Summary:

This course is not just about skills.

Its about building a career, launching a business, and earning for life.

Let me know whenever youre ready to start.

Well be with you from your first lesson to your first income.
