

NAILSMANIA: Student Code of Ethics

1. RESPECT IS NON-NEGOTIABLE

Respect your mentor, fellow students, clients, and the studio space.

Disrespect in tone, words, or body language will not be tolerated.

2. THIS IS A PROFESSIONAL SETUP

You are here to learn. Show up with the mindset of a professional.

Mobile phones are to be kept on silent during practice hours.

Gossip, mocking others, or groupism will result in disciplinary action.

3. PRACTICE WITH INTEGRITY

Models are here for your practice, not for your personal earnings.

Charging models or promoting your own payment QR codes is strictly prohibited.

Students caught doing this will be dismissed immediately.

4. STUDIO PRODUCTS STAY IN THE STUDIO

All materials provided are for educational use only.

No product should be taken home or misused.

5. DOCUMENT YOUR GROWTH, NOT YOUR TRAINING

Video content during class is allowed only with permission.

Do not record trainer instructions to share or upload.

Focus on learning - content can come after certification.

6. BE HONEST WITH YOUR WORK

NAILSMANIA: Student Code of Ethics

Do not claim a technique you have not mastered.

Do not compare your learning journey with others - growth looks different for everyone.

7. FEES & ATTENDANCE

Fees once paid are non-refundable.

Be regular and punctual - consistency is key to progress.

8. LOYALTY IS RESPECTED HERE

If you plan to start your own studio or work independently, we support you - but with honesty.

Taking clients by using Nailsmania's name, products, or space without permission is disloyalty and will be acted upon.

9. IF YOU NEED HELP - ASK

We do not judge. We guide.

Whether you are confused about a technique or feeling low - speak up. That is what we are here for.

You are not just a student here. You are part of a legacy we are building together.

Grow with grace. Learn with pride.

And always remember - your vibe is your brand.
