

NAILSMANIA MASTER REPORT CARD

Name: Monalika Kohli

Knowledge & Nail Theory:

Demonstrated deep understanding of nail structure, anatomy, prep, and chemistry. Scored 19.5/20 on basic theory with educator-level explanations, and displayed advanced comprehension in apex placement, lifting causes, primer chemistry, and sculpting techniques.

Creative & Problem-Solving Skills:

Consistently offered unique, insightful solutions to advanced client and technical challenges. Applies critical thinking during live scenarios, adapts product choice based on client biology, and demonstrates exceptional intuition for structure and retention.

Client Psychology & Ethics:

Exhibits rare emotional intelligence. Handles delicate client issues with empathy, professionalism, and ethical boundaries. Balances beauty with safety. World-champion level response on injury, anxiety, and client stress scenarios.

Educator Readiness:

Explains concepts with clarity and structure, blending science, logic, and real-life experience. Ready to mentor and teach. Consistently thinks beyond application into correction, explanation, and student understanding.

Personality & Communication:

Passionate, introspective, and committed to self-improvement. Mixes ambition with humility. Asks deep, reflective questions and communicates clearly. Displays leadership through resilience and student-centered approach.

Final Evaluation:

Monalika Kohli is not just a nail technician; she is an artist, educator, problem solver, and emotional support system for her clients. Her mindset, empathy, and technical precision are well beyond her age. She represents the future of ethical, intelligent, and powerful beauty business ownership.
